Wooaaaaaaaaah

Everyday in my life
I let the inside show through the outside
I'm tryin' to do my best to past the test
And show respect to the other guy
I let'em know I never run away
Learn to fly and you'll be on your way
With my heads in the clouds and a smile on my face
I am alive and I'm seconds away

You are, you are
I am, I am
You are, you are
I am, I am

When I fight, it's not evil
Just like bein' Evil Kinevel
I just to the left and I roll to the right
Just tryin' to win the bell every night

You are, you are
I am, I am
You are, you are
I am, I am
I am, I am
Wooaaaaaaaaah, ohh
I am, I am

When I fight, it's not evil
Just like bein' Evil Kineval
I just to the left and I roll to the right
Just tryin' to win the bell every night

You are, you are
I am, I am
You are, you are
I am, I am
You are, you are
I am, I am
You are, you are
I am, I am

I am, I am
I am, I am
Wooaaaaaaaaah, ohh
I am, I am
I am, I am
