[Kurt Angle]

Whoa! Before you get started..

+I+ have something to say!

{*an imitation of Angle's WWE entrance theme starts playing*}

[Chorus: Kurt Angle]

I don't -- SUCK! I don't -- SUCK!

I don't -- SUCK! I don't -- SUCK!

I don't -- SUCK! I don't -- SUCK!

I don't -- SUCK! I don't -- SUCK!

[Verse One: Kurt Angle]

I know one look, is depressing to see

Cause you know, you can't be better than me

Start at the bottom, and long for the top

I'll always be here, to make your dream stop

I've got it all, from head to toe

Looks, brains, class - you'll never know

Second place, is the best you'll ever do

Be happy with that before I do worse to you!

[Chorus]

[Verse Two: Kurt Angle]

Envious eyes, just stare at my gold

My life is on fire, and you're ice cold

What could you do, that would EVER scare me?

All of you out there - I'm a dog, you're a flea!

[...]

Anything you can do, I can do better

Even when I rap, I rap more better

It's like this body, when wrapped in leather

Perfection - and it gets no better

I rap like I wrestle, the envy of others

The ONLY white rapper in tune with the brothers

(Hello Johnny!) All eyes on me, and if I was you

Best believe, I'd keep my eyes on me

Two hundred plus pounds, of a body splendid

Braggadocious, OH so ferocious, focused!

History suspended, skills uncontendable

Live at the top - attributes won't stop
Mastered the ring and the mic alike
Eloquent with words, while I move catlike
Hot, OHHH I can't be stopped
And now rap meets rock
And it's time that you drop

[Chorus] - to fade
