Stand up, you don't have to be afraid, get down - love
is like a hurricane

Street boy, no I never could be tamed, better believe it
Guilty 'til I'm proven innocent, whiplash, heavy metal
accident

Rock on, I wanna be President, 'cos

Chorus:

I love it loud, I wanna hear it loud, right between the
eyes

Loud, I wanna hear it loud, I don't want to compromise

Turn it up, hungry for the medicine, two fisted to the
very end

No more treated like aliens, we're not gonna take it

No lies, no more alibis, turn it up, it's got me

hypnotized

Rock on, I won't be tranquilized, 'cos

chorus repeats 2x

Headlines jungle is the only rule, front page roar of the
nation cool

Turn it up, this is my attitude, take it or leave it

chorus repeats out [both lines 'I love it loud, ...']
