Ahhhh yeah,
K-Diggity Dogg down here for my people
nWo, let's set it off, cause it's own now, yeah
Bow-wow-wow yippie yo, yippie yay
Ariba la rassa all day and every day
Bow-wow-wow yippie yo, yippie yay
Horale, all day, every day
From the lucha libre, to the WCW
Time out, la jente, Straight up lovin' you
And from the hola essÃ© to the yes yes y'all
Who wants to step to my homeboy K-Dogg?
And get slammed on the mat,
Get your whole head cracked
The way Mad One vato is gonna fill this whole track
I step in the ring yelling horale
From Mehico all the way to the USA
Puro chingasos, putasos, no abrazos
Gettin' scuffed up, will you gettin' roughed up tequila
sunrise
Watch 'em burn
When we finish up the bottle and eat the worm
It's our turn
Bald heads, tattoos and penotents
From the slums to TV
To where the world can see me
Then back to the ghetto again
The world must end
Where mothers keep cryin'
Cause their children keep dyin'
In this hot, evil pot, we all melt
How can I help the world, if I can't help myself?
So call it quits,
Or get hit and get your wig flipped
Who the hell you think you're dealing with essÃ©?
Bow-wow-wow yippie yo, yippie yay
Ariba la rassa all day and every day
Bow-wow-wow yippie yo, yippie yay
horale, all day, every day
Bow-wow-wow yippie yo, yippie yay
Ariba la rassa all day and every day
Bow-wow-wow yippie yo, yippie yay
Horale, all day, every day

What do you know about tequila sunrise?
And what do you know about the... ghetto life?
The K, the D, the O, the G
Down with the M, the A, the D
O-N-E So ponte tucha
From the perro lucha
I feel like an animal,
I'll eat you like a cannibal
That's how it is and that's how it's gonna be
I represent la raza 'cause la raza represents me
I open up my eyes, I can't be livin' in the dark
I gotta be careful when I take my daughter to the park
Barrio and Barrio, and block after block
Hypedermic needles in the children's sandbox
I start wonderin' why la Placa hates me
It always amazed me how they look at me crazy
There is no hope and there is no second chances
Cause this chain around my neck won't let this perro
dance
Bow-wow-wow yippie yo, yippie yay
Estados unidos all day and every day
Oh, how I love it
I just can't get enough of it
Mad one and K-Dog so rough, so tough
Bow-wow-wow yippie yo, yippie yay
Ariba la rassa all day and every day
Bow-wow-wow yippie yo, yippie yay
Horale, all day, every day
Bow-wow-wow yippie yo, yippie yay
Ariba la rassa all day and every day
Bow-wow-wow yippie yo, yippie yay
Horale, all day, every day
Bow-wow-wow yippie yo, yippie yay
Bow-wow-wow yippie yo, yippie yay
Bow-wow-wow yippie yo, yippie yay
Bow-wow-wow yippie yo, yippie yay
