Are you ready?!
This place inside my mind, a place I like to hide
You don't know the chances. What if I should die?!
A place inside my brain, another kind of pain
You don't know the chances. I'm so blind!
Another place I find to escape the pain inside
You don't know the chances. What if I should die?!
A place inside my brain, another kind of pain
You don't know the chances. I'm so blind!
Deeper and deeper and deeper as I'm turning to...
Live a life that seems to be a lost reality
That I can never find
No way to reach my inner...
Self esteem is low
How deep can I go in the ground that I lay?
If I don't find a way to see through the gray that clouds
my mind.
This time I look to see what's between the lines.
I can see, I can see, I'm going blind...
I'm blind!
