There's no holding me back  
I'm not driven by fear  
I'm just driven by anger  
And you're under attack  
I'm just climbing up slowly  
I'm the one and only  
We teach the ways of life  
The stumble in your mind  
The fear, the hope inside  
That's it!  
But whatever you make  
'Ever you got  
'Ever you want  
I'll take back again  
Whatever you make  
'Ever you got  
'Ever you want  
I'll take back again  
There's no holding me back  
I'm not driven by fear  
I'm just driven by anger  
And you're under attack  
I'm just climbing up slowly  
I'm the one and only  
We teach the ways of life  
The stumble in your mind  
The fear, the hope inside  
That's it!  
But whatever you make  
'Ever you got  
'Ever you want  
I'll take back again  
Whatever you make  
'Ever you got  
'Ever you want  
I'll take back again  
But whatever you make  
'Ever you got...  
But whatever you make  
'Ever you got  
'Ever you want  
I'll take back again

Whatever you make  
'Ever you got  
'Ever you want  
I'll take back again  
Whatever you make  
'Ever you got  
'Ever you want  
I'll take back again  
But whatever you make  
'Ever you got...  
Whatever you-ohh-ohh  
Whatever you-oh-oh-ohh-ohh  
Whatever you-ohh-ohh  
Whatever you-oh-oh-ohh-ohh
