I am a real American, Fight for the rights of every man;
I am a real American, fight for what's right--fight for
your life!
When it comes crashing down, and it hurts inside;
ya' gotta take a stand, it don't help to hide.
Well, you hurt my friends, and you hurt my pride;
I gotta be a man--I can't let it slide
I am a real American, Fight for the rights of every man;
I am a real American, fight for what's right--fight for
your life!
I don't feel too strong about right and wrong;
And I don't take trouble for very long.
I got somethin' deep inside of me, and courage is the
thing that keeps us free.
I am a real American, Fight for the rights of every man;
I am a real American, fight for what's right--fight for
your life!
Well you hurt my friends, and you hurt my pride.
I gotta be a man--I can't let it slide!
I am a real American, Fight for the rights of every man;
I am a real American, fight for what's right--fight for
your life!
I am a real American, Fight for the rights of every man;
I am a real American, fight for what's right--fight for
your life!
