I like to dream
Yes, yes right between the sound machine
On a cloud of sight I drift in the night
Any place it goes is right
Goes far, flies near, to the stars away from here

Well, you don't know what we could find
Why don't you come with me little girl on a magic
carpet ride?
Well you don't know what we could see
Why don't you tell your dreams to me?, fantasy will set
you free.

Close your eyes girl, look inside girl, let the Sound take
you away.

Last night I held Aladdin's lamp, so I wished that I could
stay.
Before the thing could answer me well someone took,
the lamp away
I looked around a lousy candle was all I found. Well, you
don't know what we could find

Why don't you come with me little girl on a magic
carpet ride?
Well you don't know what we could see
Why don't you tell your dreams to me?, fantasy will set
you free.

Close your eyes girl, look inside girl, let the Sound take
you away.

(long wait)
Well, you don't know what we could find
Why don't you come with me little girl on a magic
carpet ride?
Well you don't know what we could see.....(song fades
away)
