I've known you all my life
At least that's how it seems.
Never knew another way, Livin' out a dream.
But now I know your leavin' me
And Ill never understand.
Before I let you walk away
I have one last demand:
(Chorus)
Tell Me a Lie
Say that you won't go.
Look in my eyes, and hold me even though
I realize you have to walk away,
No more yesterday.
You always were my angel
Flying high above.
Always looking out for me.
The angel that I loved.
But now my dreams are fading, like age-old
photographs.
It hurts too much to look at them,
Reminders of our past.
(Chorus)
Tell me a lie.
Say that you won't go.
Look in my eyes
And hold me even though
I realize you have to walk away.
No more yesterday.
Maybe we could stay together,
Maybe it could last forever.
Maybe if you just tell me a lie.
Maybe we will never say Goodbye.
