One two, is this on?  
Yo Jimmy hit me with that Triple H  
Ha ha ha ha  
Yeah you let the music keep playin' mister dumb shit  
Yo tell me what time it is now  
Yeah, just kickin' it up in here  
It's our time  
Yo, here comes trouble  
Not gonna listen to anybody  
Tell me who and what to be  
Not tryin' to be like anybody  
Draw the blood you make from me  
Cause I lead the blind, lead the blind, lead the blind  
Our time! Our time!  
Our time, it's time  
Our time! Our time! Our timmmmmme!  
Not lookin' back cause you've had enough (yeah)  
You don't know what trouble is  
Game of politics, sissy troubles (one time, read your  
mind)  
All these rules, stupid rules  
All your stupid rules!  
Yo, you keep your finger off the switch don  
All your stupid rules!  
Don't you understand your own dillusion?  
All your stupid rules!  
Now, don't you understand your own confusion?  
All your stupid rules!  
Make up a fantasy in your little mind  
Follow me like the blind lead the blind  
All your stupid rules!  
Follow me like the blind lead the blind  
Yo, the years went by with your lies  
The march that suits McMahon  
Give us a shout, we'll give you nothin  
The smart one, the mellow one, the easy one  
Well, it's our time now  
It's our time now!  
You know it's our time now!  
The truth will set you free  
Yo, don, keep your finger off the switch  
It's our time!

It's our time!  
It's our time for the grab  
I've had enough of this  
Yo, I've had enough of this  
Who's sleeping with who around here?  
I've had enough of this  
You know I've had enough of this  
Yeah, the years went by with your lies  
The march that suits McMahon  
Give us a show, we'll give you nothing  
The smart one, the responsible one, the easy one, the  
mellow one  
Well it's our time  
It's our time!  
It's our time now!  
It's our time for the grab  
You will, mark my words, find out what trouble is  
Yo tell me something  
Who's sleeping with who?  
Does anybody know who's sleeping with who?  
Pack it in
