"Near You"

There's just one place for me
Near you

It's like heaven to be
Near you

Times when we're apart
And I can't face my heart

Say you'll never stay
More than just two lips away

If my hours could be spent
Near you

I'd be more than content
Near you

Make my life worth while
By telling me that I'll
Spend the rest of my days
Near you

near you - near you

Make my life worth while
By telling me that I'll spend the rest of my days
Near you

Spend the rest of my days
Near you
