Is it possible maybe to have a love so strong
That nothing could ever compare
I'm holding back nothing for the look in your eyes
So baby don't be surprised

Well I want to know what makes your world go round
And I want to hear your voice for the sound
A love that defines all I've had in mind
Now I'm holding back nothing for the look in your eyes

small guitar break

Impossible, maybe, but worth one last try
I'm waiting on your reply
I'm sitting here patiently just for the chance that I might
Be able to hold you tight

And I want to know what makes your world go round
And I want to hear your voice for the sound
A love that defines all I've had in mind
Now I'm holding back nothing for the look in your eyes

Now time is all that we have
So won't you let me inside your perfect world for one
night
Just open up for me
Girl I swear that I will be
Everything you ever thought a man should be

And I want to know what makes your world go round
And I want to hear your voice for the sound
A love that defines all I've had in mind
Now I'm holding back nothing for the look in your...

I can see the way you're lookin' back at me
Oooh... Could it be that you see what you want to see
Just let your eyes believe it
I'll never lie to you, in my arms you will be, forever and
I...

I'm holding back nothing for the look in your eyes

The look in your eyes...

guitar fades out
