Baby, Baby, Uh Huh, Yeah

Baby Baby you are my own.

Baby

Baby baby I love you so.

Honey

Baby Baby why do you always do this to me.

Oh why?

'Cause Baby tonight is the night when our feelin's show

Tonight is the night when I can't let go

Tonight is the night when I tell you so

Oh baby, Oh baby, Slippin' Through the arm of love

I'm lying here in my bed room.

Thinking of you

I ask myself Why oh why.

This is my good bye.

But Baby tonight is the night when our feelin's show

Tonight is the night when can't let go

Tonight is the night when I tell you so

oh baby, Oh baby, Slippin through the arms of Love
