Angel Come To Me  
To Me Come To Me  
Angel Belong To Me  
To Me Belong To Me  
Angel You Have Wings  
To Fly Fly To Me  
Angel Do You Doubt  
No Need To Have Doubt  
Angel Feel My Love  
My Love For You  
Feel My Love For You  
Angel Carry Me  
To You To Your Home To Paradise  
Angel I Would Lie For You  
For You Just For You With My Yearning Heart  
And Angel I Would Die For You  
For You Just For You With My Burning Heart  
Angel Don't Feel Liable

For Me And My Pain Don't Feel Liable  
Cause Angels Must Be Free  
High Up From This World In Eternity  
Angel I Could Clip Your Wings  
To Catch All Your Love To Calm Your Pain  
But Angel This Would Be So Wrong  
You Would Bleed To Death Immediately  
So Angel Come To Me  
Heal My Glaring Pain Voluntarily  
I Love You
