This is the entire history of a broken life  
They told you were a lying child  
Didn't they?  
Did they lie?  
Yes they did  
Did they try?  
Yes they did  
You slugged me once  
And I didn't slug you back  
Did they lie?  
Yes they did  
Did they try?  
Yes they did  
So my friend

Leave all behind  
Come with me  
And you will find  
So my friend  
Leave all behind  
Come with me  
And you will find  
Cause I will show you  
How to die  
And I am the devil
