Have you heard about our god's last joke
The drug eats hopeless souls behind dark corners
The addicts in the streets and how fast they broke
Do you feel the charm it is bright
No dealer gives a damn about the media warners

Can't you see the harm in the night
A tender kiss of H holds you tight
Do you feel the rage in the night

Meet me in the night
Defects lead to deeds of an unknown measure
A thirst for surviving is the only treasure
Forbidden fruit has always been for only the tough
The favourite way to calm down is the new clean stuff

Do you feel the charm it is bright
A tender kiss of H holds you tight
Can't you see the harm in the night
Do you feel the rage in the night
Meet me in the night
