Will ya Willyam
Will ya Willyam
Will ya Willyam
Will ya Willyam
Won't you be my husband?
Why don't you be my husband?
Why you keep on runnin?
Will ya Willyam
Will ya Willyam
Won't you be my husband?
Why don't you be my husband?
Why you keep on runnin?
Will ya Willyam
Won't you be my husband?
Why don't you be my husband?
If you just let me love you I won't ask for ransom
I love you like Charles Manson loves Susan Sarandon
You be the meat and I'll be the rice
Come on Willyam make me your wife
Come on Willyam make me your wife
Come on Willyam like meat on rice
Willyam Will ya
Willyam Will ya
Willyam Will ya
Willyam Will ya
Won't you be my husband?
Why don't you be my husband?
Why you keep on runnin?
