I won't talk, I won't breathe
I won't move 'till you finally see
That you belong with me

You might think, I don't look
But deep inside the corner of my mind
I'm attached to you, mmm

I'm weak, it's true
'Cause I'm afraid to know the answer
Do you want me too
'Cause my heart keeps falling faster

I've waited all my life
To cross this line
To the only thing that's true
So I will not hide
It's time to try, anything to be with you
All my life I've waited
This is true

You don't know, what you do
Everytime you walk into the room
I'm afraid to move

I'm weak, it's true
I'm just scared to know the ending
Do you see me too?
Do you even know you met me?

I've waited all my life
To cross this line
To the only thing that's true
So I will not hide
It's time to try, anything to be with you
All my life I've waited
This is true

I know when I go
I'll be on my way to you
The way that's true

I've waited all my life
To cross this line
To the only thing that's true
So I will not hide
It's time to try, anything to be with you
All my life I've waited
This is true
