Your heart gave way And nobody knew When the smoke cleared out There was nobody there but you

You came

And showed your face

Around here

Made it perfectly clear

That your heart

Gave way but nobody knew

You severed the brakeline

And you bought it again

Got tangled in the lifeline

And you bought it again

I found a way

To settle the score

I kicked down the door

By the time

You patched it up

I was back for more

To prove to you

That i was sincere

I made it perfectly clear

That my heart gave way

But nobody knew

You severed the brakeline

And you bought it again

Got tangled in the lifeline

And you bought it again
