We're walking like in a Dolce Vita
This time we've got it right
We're living like in a Dolce Vita
Mmh gonna dream tonight

We're dancing like in a Dolce Vita
With lights and music on
Our love is made in the Dolce Vita
Nobody else than you

It's our last night
Together with our love again
Another light
Before we're thrown in darkness
Say you'll never leave me now
Say you're gonna love me now

We've made it down in the Dolce Vita
Wipe all your fears away
We live it like in the Dolce Vita
A game of yesterday

I'm so alone in the Dolce Vita
Oh baby telephone
This magic's gone in the Dolce Vita
Nobody else than you

It's our last night
Together with our love again
Another light
Before we're thrown in darkness
Say you'll never leave me now
Say you're gonna love me

It's our last night
Together with our love again
Another light
Before we're thrown in darkness
Say you'll never leave me now
Say you're gonna love me now
