If paradise is half as nice  
As heaven that you take me to  
Who needs paradise,  
I'd rather have you

They say paradise is up in the stars  
But I needn't sigh because it's so far  
Coz I know it's worth a heaven on earth  
For me where you are

A look from your eyes, touch from your hand  
And I seem to fly to some other land  
When you are around my heart always pounds  
Just like a brass band

If paradise is half as nice  
As heaven that you take me to  
Who needs paradise,  
I'd rather have you  
Oh yes I'd rather have you

La la la la  
La la la la  
La la la la  
La la la  
La la la la la  
La la la la la

If paradise is half as nice  
As heaven that you take me to  
Who needs paradise,  
I'd rather have you  
Oh yes, I'd rather have you

La la la la  
La la la la  
La la la la  
La la la  
La la la la la  
La la la la la

They say paradise is up in the stars  
But I needn't sigh because it's so far  
Coz I know it's worth a heaven on earth  
For me where you are

A look from your eyes, a touch from your hand  
And I seem to fly to some other land  
When you are around.....FADE
