Yeah you're right
I wanna feel you tonight
I'll be your lady in white
It's our happy ending
Happy ending

Yeah you're right
I wanna feel you tonight
I'll be your lady in white
It's our happy ending
Happy ending

I'm missing your lovin'
Cause day and night I think of you
I'm missing your lovin'
Hope you miss me too

I'm missing your lovin'
Cause day and night I think of you
I'm missing your lovin'
Hope you miss me too

[Man]

She's my all, I'm game
I want more of her and I don't pretend
She's the girl for me answer
Love me sunset

I put my trust in you, inspire
I sit with you and understand for you
Cause this girl is my everything
And I'd just do anything
I try to stand so you see girly
