I wake up in the morning take a look out in the sun
I was sitting alone and I waiting for the time to come
I was looking back in anger what I did before
now Iâ€™ve got some real good reason
cause I donâ€™t have to cry anymore

Iâ€™ve got my reason to live
Iâ€™ve got my reason to give
Iâ€™ve got my reason to live
but yesterday I donâ€™t know what to do
until I saw those pictures of you

from the day I meet you my life took a drastic turn
something happens inside my feelings start to burn
start to think Iâ€™m livinâ€™ in a world of make belive
now Iâ€™ve got some real good reason
cause I donâ€™t have to cry anymore

Iâ€™ve got my reason to live
Iâ€™ve got my reason to give
Iâ€™ve got my reason to live
but yesterday I donâ€™t know what to do
until I saw those pictures of you

little baby I have always think about my life
as a never ending story
and from now on I see the future shining bright
full of glory

now Iâ€™m sittinâ€™ here alone looking at the stars above
I was thinkinâ€™ about those things we always do for love
a sudden revelation started in my mind
now Iâ€™ve got some real good reason
cause I donâ€™t have to cry anymore

Iâ€™ve got my reason to live
Iâ€™ve got my reason to give
Iâ€™ve got my reason to live
but yesterday I donâ€™t know what to do
until I saw those pictures of you

Iâve got my reason to live
Iâve got my reason to give
Iâve got my reason to live
but yesterday I donât know what to do
until I saw those pictures of you

Iâve got my reason to live.....
Iâve got my reason.....
