Word up the T-Dot went Bang  
Let's Go.. yo yo yo aiyyo  
FIYAH on the government, FIYAH pon Babylon  
FIYAH pon this corrupted land on which we walkin on  
Ice grills melt into a puddle in the struggle  
Niggaz try to bust back but get juke'd by undercover  
You wonder why so many niggaz out there sellin crack  
because police allow that  
They add that to their paper stack, aiyyo  
People are you ready, YO, are you really ready, YO  
Many need to know about ghettos in the T dot O  
The news people try to pretty up the scene  
but my peoples gettin killed out there, seen? (SEEN!)  
None of y'all niggaz can talk about peace when  
Palestinian youth throwin rocks at police  
In the street we talk shit, a lot of young punks with guns  
with dollars while the ghetto yout's have no funds  
The devils in this world always dress up as nuns  
Kardinal Offishal, fire starter volume one..  
CAREFUL

[RZA]

Wait, hold up, chill, what's that son?  
Damn.. nigga got fucked, shit, huh?!  
By his back, watch nigga run  
Seven the center of your eight point sun  
Hold tight grip on the +God-U..Now+ you best be  
careful!  
Can't dodge two (??) aimed at your domepiece  
+Father-U-C-King+ police!!

[U-God]

Somethin in the slum went rum-pum-pum-pum  
Somethin in the slum went rum-pum-pum-pum

[Masta Killa]

Yo Rae it's been a long time son since we bust  
Gunclap +Glaciers+, ran the world and snatched  
paper

Return to the 36th Chamber

Proceed with caution as you enter

We have an A.P.B., on an MC Killer

Looks like the work of a Masta!!

[Cappadonna]

Yo somethin in the street went, BANG BANG

Makin it hard for you to do your THANG THANG

Somethin in the street went, BANG BANG..

Up in the boss game wildin, money for grabs

I ain't fuckin with crabs, out of state copped two labs

Hopped two cabs, back on the Ave.

Stab you with the vocab, catch me at the big dough  
rehab

Tryin to re-up, keep my feet up

Snake niggaz in the cut, hold the product

Time is up, no luck, heat start to bust

Niggaz you can't trust, dealin with lust

Seen him at the ballgames with James

Somethin in the street went, BANG BANG

Makin it hard for you to do your THANG THANG

Somethin in the street went, BANG BANG

Makin it hard for you to do your THANG THANG

These are the bones, bones from the grave of Houdini

G-Deini, razoni noodles sprinkled on your embryo'

Climb like the deficit, profits, death threats

to Israel slid through Bethlehem bong on one wheel

Syringes, rubber bands, needles, the 60's

Granddaddy Caddy was coppin 6 G's

Begosh all that Oshkosh jumpers

Pink Champelle, brown paper bags, wall to wall  
bumpers

[U-God]

These (??) camera guys, cause, turn your eyes

Sweat on the hammer fly, ways, of the Samurai

Newsflash bulletin, Gods on the prowl

We full again, ruff men scuff Timbs

Sonic bionic lens, RZA console  
Is it Bush or the Dole, front row of the superbowl  
Black gold in my soul, on a hoe stroll  
Don't go boy you on parole you don't know?

[Inspectah Deck]

Someone in the back went, CLACK CLACK  
Money is stacked, now bust your gun, CLACK CLACK  
Someone in the back went, CLACK CLACK  
Money is stacked, now bust your gun, CLACK CLACK

Made 'em throw they hands up, but then lay flat  
Rat pack eat up, the average alley cat  
Prepare for the impact when we contact  
Known to drop backs that crack your hard hat  
Must I show and prove, trust I, bust I  
Make your head spin like chrome 20's on the buggy-I  
Benz  
Who contends, Wu like the Superfriends  
Who's your rhymin hero? Wu-Tang rules again

Someone in the back went, CLACK CLACK  
Money is stacked, now bust your gun, CLACK CLACK  
Someone in the back went, CLACK CLACK  
Money is stacked, now bust your gun, CLACK CLACK
