How can you just walk away from me, when all I can do
is watch you leave
'cause we've shared the laughter and the pain, and
even shared the tears
You're the only one who really knew me at all.

So take a look at me now, 'cause there's just an empty
space
And you coming back to me is against the odds
That is what I've gotta take.

I wish I could just make you turn around, turn around
and see me cry
There's so much I need to say to you, so many reasons
why
You're the only one who really knew me at all

So take a look at me now, 'cause there's just an empty
space
And there's nothing left here to remind me, just the
memory of your face
Take a good look at me now, 'cause I'll still be
standing here
And you coming back to me is against all odds
It's the chance I've got to take.
