* [Chorus 2X: (sampled)] Laughter, laughter, laughter comes healthy tears [RZA] Check the script, me and my boys get it ripped Blunts in the dip, forty dogs in my lip Had a box, 'Boom Boom' the bass would blast We was laughing, at all the girls that passed Conversation, brothers had begin to discuss (Hey yo, Ra, remember that kid ya bust?) Aw yeah, he ran, but he didn't get far Cause I dropped him, heh heh heh heh heh HA Not knowin, exactly what lied ahead My little brother, my mother sent him out for bread Get the Wonder, it's a hot day in the summer Didn't expect, to come across, a crazy gunner "Hey Shorty, check it for the bag and the dough" But he was brave, looked him in the eye, and said "No!!" Money splattered him, BOW! then he snatched the bag In his pockets, then he jetted up the Ave. Girls screamin, the noise up and down the block (Hey, Rakeem!) What? (Your little brother got shot!) I ran frantically, then I dropped down to his feet I saw the blood, all over, the hot concrete I picked him up, then I held him by his head His eyes shut, that's when I knew he was... Aw man! How do I say goodbye? It's always the good ones who have to die Memories in the corner of my mind Flashbacks, I was laughin all the time I taught him, all about the bees and birds But I wish I had a chance to sing these three words [Chorus] [Ghostface Killah] Me and my man, my ace Big Moe from the shelter About to hit the skins, from this girl named Thelma Now Thelma had a rep, that was higher than her neck Every girl from Shaolin dissed her respect We was stimmy, you know how it is when you're blitzed Three o'clock in the morning, something gots to give Moe said "Here go first", I said "I'll take next Here, take this raincoat, and practice safe sex" He seemed to ignore, I said be for real She's not even worth it, to go raw deal A man's gonna do what a man's gonna do He got butt-naked, hoppin in the Power-U Twenty minutes went by, Moe went out, without a doubt I'm not pumpin' up, I am, airin out Hey yo, he came out laughing with glory I'm surprised, he's still livin', to tell his story But he carried on, with the same old stuff with Stephanie, like a whammy, he pressed his luck Don't try to be

down with O.P.P. Ain't nuttin' wrong but he got caught
with the H.I.V. now No life to live, doc says two more
years So after the laughter, I guess comes the tears
[Chorus 2X]
