*[Verse One: U-God]*

Yeah, yo  
Give me the cue  
Skip the introduction, prosate the lip function  
The junction get rushed by some grimy people bustin  
weed  
Splatter your belly like some Attica fellas  
Use a firearm good, bloods go for hard swelling  
Insert the spasm, yes the dirty hurt has them  
Thoroughbred thugs insert the fantasm  
Verbal smarts, spark the word, visit my scripture  
Exotic wine, holding nine, Picasso pictures  
When the rhyme pivot you now, limit your chance  
Bodyguard the lyric with unlimited stance  
Words seem to zing on down to Beijing  
When we touch down you crown renowned kings

*[Verse two: Method Man]*

There's no honor amongst thieves, street  
pharmaceutical  
Stack like Genovese, the four devil tempt mad men  
But not these, we profound hardcore sound  
To MC's thumbs down, prepare  
Killa bees it be warfare, this the year  
Niggaz gotta take you off of here, hold the square  
If we go there we go gritty  
And spread fear through this rap city, call the mayor  
My razor sharp darts be like cold stairs  
The smell of fear makes my nostrils -- flair, truth or  
dare  
Ask yourself can you compare  
to these niggaz in the hood, Johnny B. Goode  
or he be gone, yeah  
The struggle goes on, you've been warned  
P.L.O. from here to Lebanon, how many bombs  
Must we drop in the Ninety-Now  
Walk a mile in my shoes, get the street news, from  
Meth-Tical

*[Verse Three: RZA]*

You gots to be kidding, you gots to be kidding  
Aiyyo kid, you gots to be kidding, my glocks'll be  
spitting  
You gots to be kidding, yo

It's common sense how I master my circum-fer-ence,  
you dense  
I get locked the fuck up, released on my own  
recognizance  
Can't be judged, young bloods bust back like scuds  
Wu-Tang harvest one thousand notches above  
MC level, yo, I stay high as like treble  
Foes who oppose get plucked like rose pedals  
Arresting and holding, penetrate for better regions  
Wack MC's only lasted one season  
The morale was low at the corral  
Adjective pronouns had no style, yo, we propose our  
aim the official, initial, is Ruler Zig-Zag-Zig Allah  
All that other bullshit ain't permissable  
Annual increase of the Wu-Tang Manual  
Handles to a keyboard is true hip hop set tangible  
illegible, every egg ain't edible  
My tracks remain Unforgettable, like Ol' Nat Cole  
Got to catch this paper to buy Shaquasia a glacier  
Throw chairs to deck a skyscraper  
Understand that the continents of Africa and Asia  
and free the black man from the enslaved labor, Wu-  
Tang

*[Interlude: Masta Killa, Method Man, Raekwon]*

The weight of the fam is on our back and we can't fall  
Victim to this long hall of fame, meaning nuttin  
We came to punish the glutton with a substance  
That can't be contained, Wu-Tang

Motherfuckers  
We be seeing y'all asses when we walk up in the club  
Y'all all in the back

Scared to speak the speak cause you scared  
Punk motherfucker, we know what time it is

*[Raekwon conversating with some people]*

"All you been seeing is upsets in the box and shit right  
It's like come on man  
This nigga fucked up motherfuckin Whittaker"  
"Dang, he caught Whittaker"  
"Mmmhmmm"  
"He caught Whittaker a long time ago"

"Mike got touched"  
"Then Mike got touched by Holyfield"  
"Holyfield"  
"Yeah, word up"  
"Hey, Mike's -- Mike's gonna forfeit this fight"  
"He ain't fighting McDermit"  
"He ain't fightin?"  
"Nope"  
"Whattup?"  
"You talkin bout he -- what he, what he, what he did?"  
"Told them he cut his eye, in sparring"

*[Verse Five: Ghostface Killah]*

Style adoral rap pressing, David Berkowitz  
Einstein birth to hit, now nurture it  
M.G.M. front row seat tonight, no gens  
Purified cleanse, ran into some beef up in the men's  
Fix your sawed off, Wu-Tang throw me off the cross  
All you saw was white meat, skin hangin off  
These is words from the Arch Bishop, some call it six  
up  
The Betty Crocker, marvel cake stakes admissor  
Wax janitor, black Jack Mulligan from Canada  
Slam dance, tarantula style, youse a fan of the  
Monopoly king, Slavic poetry  
Carnegie Hall's off the hook, let's push through the  
armory  
Mack truck hitting soloist, soul controllers  
Behold of the thousand teeth fist, swift and boneless

*[Outro: RZA]*

You know, cause Wu-Tang is invincible,  
youknowhatl'mean?  
It's Wu-Tang Forever God (invincible)  
Knahmsaying? We gonna get down with that W  
You gonna get down with that W  
That's that Wu, that's that Wisdom  
Youknowhatl'msayin? That's the Wisdom of the  
Universe  
That's the truth, of Allah, for the Nation, of the Gods

days God  
Youknowhatl'msayin? We got the fuckin way  
We got the medicine for yo' sickness
