[Intro: Masta Killa]

My seeds grow and his seeds marry his seeds  
... my seeds grow and his seeds marry his seeds  
That's how we keep Wu-Tang forever, baby...

[Verse 1: Masta Killa]

It's good to see the Wu-Tang family under one roof  
We celebrate, toast and shoot Ciroc 40 proof  
Burgers on the grill and fried fish  
The wiz made potato salad and greens for a side dish  
Cold water, mill and reminisce with cousins and sisters  
Children on the grass playin' ball and Twister  
Fresh lemonade is made, we playin' spades  
My nephews turn a living room into an arcade  
Aunt's cherry baked pies, surprise, Johnny's shown up  
You can tell from the smell in the air, something's  
rolled up  
It's love, peace and happiness with the joy and laughter  
Camera phones, flashes, the moment is captured

[Hook]

It's so nice to see... all the folks you love together  
Sittin' and talkin' 'bout... all the things that's been goin'  
down

[Verse 2: Method Man]

It's goin' down... yo  
We rock all in together now, Wu-Tang forever now  
Twenty years later we still bang, whatever now  
Turned chains to cheddar  
If I could take a quote from Obama, change is better  
I vow to never let you down  
Remember Meth Tical?  
In my circle, haters is never 'round  
I'm a boss, hold that together now  
Reunited, the whole world excited  
Wu-Tang is for the kids, and we pull the girls and light  
it

[Hook 2]

Family reunion... 'bout to have a family reunion

Family reunion... it's so nice to come together, to get together  
I wish grandma could see... the whole family  
I sure miss her face... and her warm and tender embrace

[Verse 3: Ghostface]

I miss my grandmother, my aunts and Unique Ason  
I knew Dirt was high when he had that face on  
Fangs hangin' out his mouth, his fronts was golden  
Wildin' - record execs can't control him  
He say "this like me and Mariah, hit me!"  
Oh, ooh... that's fire  
Still no matter what, we gon' rep the name  
Look at your family, we got twenty years in the game

[Bridge]

Family reunion... we gon' have a family reunion  
Family reunion... it's so nice to come together, to get together

[Outro: RZA]

Aye, yo - I'd like to made a toast  
To all my Wu-Tang family all over the globe  
East Coast, West Coast  
All our brothers in the 'hood keepin' it good  
Peace to the gods and Earth  
All my Latino brothers...  
My Asian brothers...  
Wu-Tang forever...  
I see you, God... do that style  
Yeah, we still for the babies, kid  
Rzarector...
