[Verse 1: Raekwon]

[Ay yo, ay yo] Machete still stainless  
The archbishop run from the Knox  
A Chris biscuit plus play the heart, risk glisten  
Goon captain, catch me in Africa black down with 4 5  
Somalians  
Black Tims, rubber suit Wonderwoman, bangers a blue  
coupe  
IÂ'm usually upon the roof countinÂ' mad loot  
Root beer reefer, teeth(?) frame, doinÂ' my 1, 2  
SmokinÂ' with a plain Jane Super(?)  
Excellent with rifles, out in Japan  
In a flight goons switchblade poke out the night  
booths(?)  
Thrusted on a bullet train with chains on, gettinÂ' my  
train on  
Thunder money, make bread, brainstorm  
All this is made for the Forbes list  
Broads get pissed, say Â"Yo he fucked me out his  
drawers he dissed meÂ"  
All this is calculated, the Batman with a black hand  
Mafia money, killas who rock tans(?)

[Hook: U-God]

Bone crushing, smooth kicks, blades choppinÂ',  
move(?) bricks  
Masters of the weaponry, sell to both cliques  
Blacksmith, with the iron fist  
X2

[Verse 2: Ghostface Killah]

Rigamortus, I watch the body rot to the bone structure  
Scrape out your brain, watch your eyeballs rupture  
Black magic, leave your fuckinÂ' skull in a soup pot(?)  
Makaveli, Vamoose like 2pac  
Suicidal tendencies, down to white Hennessy  
Look in the book, IÂ'm the definition of menace b  
ChokinÂ' niggas out for no reason, itÂ's duck season  
IÂ'm cold as ice, 6 degrees below freezing  
Stay dipped, rock a striped shirt like Freddy Kreuger  
YouÂ'se a baby piranha surrounded by barracudas

Seven thirty, Iâ€™m more like 6 oâ€™ clock  
Straight up and down beatinâ€™ up niggas till they blood  
in they socks  
Ox em, duff emâ€™, stuff â€™em in black bags  
Without gettinâ€™ no blood on my fresh rags  
Ruthless, heart of a stone, grown with no emotions  
I piss out brewhas, poisonous potion

[Hook]
