That little momma is known around the world
Shake that ass if u a nasty girl
Back that ass up says juvenile
Show a nigga some tities like girls gone wild
Tear off this clip of clothes, i wanna see u in the nude
You can keep on your high heel shoes
So follow me down to yellow brick road
Where niggas go to see naked hoes
Shake that shit bitch
And be off in the club with a hard ass dick
Then drop like this bitch
If you wanna make the money shawty work that shit
Put a hump in your back
And lick it raw
To a 3 point stance
But u mess up yo ass
You must be on that kanye work out plan
Like head shoulder knees hoes

One time for the gang with the ying yang twins
