Ruthless wild!
Do ya wanna getcha teeth knocked on out?
Brother, get on it like that, then shout!

[Method]

Yo RZA, yo razor!
Hit me with the Major
The Damage. My clan, understand, it be flavor
Gunnin'! Hummin' comin' atcha
First I'm gonna getcha, once I gotcha, I gatcha!
You could never capture the Method Man's stature
For rhyme & for rapture, got niggaz resigning, now
master
My style?
Never! I put the ... buck in the wild kid, I'm terror
Razor sharp, I sever the head from the shoulders,
I'm better than my compeda!
You mean competitor, whadeva! Let's get together

Shame on a nuh who try to run game on a nuh
Wu come wild with the tri-BLAOW!

[Raekwon]

I react so thick, I'm phat, and YO!

Rae came blowing & blew off ya headphones
Black, rap from YO Cali to Texas

Smoother than a Lexus, now's my turn to WRECK this!
Brothers approach & half step, but ain't heard
HALF of it yet, and I bet you're not a WHAT! vet!
So, when you see me on the real, formin' like Voltron,
Remember I got deep like a Navy Seal!

Shame on a nuh who try to run game on a nuh
Wu buck wild with the trigger!
Shame on a nuh who try to run game on a nuh
I'll said get out!

[Verse Two: Ol Dirty Bastard]

Yo...!
I come with that ol' loco
Style from my vocal
Couldn't peep it with a pair of bifocals
I'm no joker! Play me as a joke,
I be on you like a house on fire! Smoke ya!
Crews be actin' like they gangs, anyway,
Be like, "Warriors! Come out & playiyay!"
Hurry, I gettin it on, I let it out like diarrhea
Got burnt once, but that was only gonorrhoea
Dirty, I keeps the nuff stains my drawers
So I can gete Fizzy-funky for YUH!?
Murder, takes the fame of the Wu-Tang RAHH!
Here comes the Tiger verse Crane!
Ow, be like wild with my style
Punk! You playing me, chump, you get DUMPED!
WU! Is comin' THROUGH! At a theatre near YOU!
And get funk like a SHOE!
What?!
