[Raekwon]

Yeah, yeah

I see everything

I see everything

Youknowwhat!msayin?

It's like when we come through

You better have your fuckin third eye open

You know, cause thats what time it is

Youknowwhat!msayin?

Cause it's like, when you walk

You striving for perfection

That's what we doing

Understand?

So all that little fake shit out there

We know the science on that

We done seen that shit from, from

From difference of angles

Youknowwhatlmean?

It's like, yo kid, for real

Wu-Tang, we set off a lot of shit in this shit kid

Youknowwhatlmean?

But you know, you know us

We play it calm, humble

Youknowwhatlmean?

But I just be checking out niggaz darts and I be like

Damn, them niggaz, them niggaz is

Really, really, really, really, really

They gonna stay shit!

Uh ha, uh ha ha

Youknowwhatlmean?

But it's all good cause I'm the soul controller

Youknowwhatlmean?

Rather I say we the soul controllers

The bottom line, like I said

Deal with freedom, justice, equality

You know?

Keep shining, add on

Food, clothing, and shelter

All my niggaz, go pick up uniforms

Go, when you buy this album

Go pick up uniforms, for real

Youknowhatlmean?
Cause don't think we doing this just for anybody
We doing this shit for certain niggaz kid
Certain people rather, certain
Certain fans, certain supporters
Certain delegators, word
What the fuck man, I'm tired of seeing these
Fake ass niggaz fucking, running with the fucking
globe
Ain't even, ain't even really seeing it the
Way it, it should really be seen
Youknowhatlmean?
It's like, if you going to spread mathematics
Spread it right
Youknowhatlmean?
