[INS]

Ladies and gentlemen, we'd like to welcome to you  
All the way from the slums of Shaolin  
Special uninvited guests  
Came in through the back door  
Ladies and gentlemen, it's them!

Dance with the mantis, note the slim chances  
Chant this, anthem swing like Pete Sampras  
Takin it straight to Big Man On Campus  
Brandish your weapon or get dropped to the canvas  
Scandalous, made the metro panic  
Cause static, with or without the automatic  
And while I'm at it, yo, you got cash, pass it  
It's drastic, gotta send half to Dirty Bastard

[Raekwon]

Ayo, ayo  
Waves is spinnin, blades is spinnin  
Slay em in the eighth inning  
Stay truck, god stay playin linen  
Kill rap, observe the uptowns, ho, feel that  
Mink jeans on, seen where the real at  
2000 zitos, movin wit a ill ego  
For real, for real, ill lines, ill people  
Yo, bring it back, 9 more civilians  
Pollyin deals, monopoly and bills  
Y'all niggas lyin  
Caught 300, lab look royal wit a mean stomach  
Go broke, all seen, done it  
Words from the heavy set  
If I don't eat, then we already met  
Fly ass bro, liver than coke

[Meth]

Now what Clan you know wit lines this ill?  
Bust shots at Big Ben like we got time to kill  
Niggas can't gel or I'm just too high to tell  
Put on my gasoline boots and walk through hell  
Wit 9 generals, 9 ninjas in your video  
9 milli blow, semi auto wit no serial

Man metaphysical, I speak for criminals  
Who don't pay they bills on time and fuck wit digital  
Never seen, smoke a bag of evergreen  
My sword got a jones, more heads for the severing  
Johnny in the dungeon, takin all bets, throw ya ones in  
Scared money don't make money, throw ya guns in
