"The game of chess, is like a swordfight
You must think first, before you move.
Toad style is immensely strong, and immune to nearly
any weapon
When it's properly used, it's almost invincible."

Verse One: U-God

Raw imma give it to ya, with no trivia
raw like cocaine straight from Bolivia
my hip hop will rock and shock the nation
like the Emancipation Proclamation
Weak MC's approach with slang that's dead
you might as well run into the wall and bang your head
I'm pushin' force, my force your doubtin'
I'm makin' devils cower to the Caucus Mountains

Verse Two: Inspector Deck

Well I'm a sire, I set the microphone on fire
rap styles vary, and carry like Mariah
I come from the shaolin slum, and the isle I'm from
is comin through with nuff niggaz, and nuff guns
so if you wanna come sweatin, stressin contesting
you'll catch a sharp sword to the midsection
don't talk the talk, if you can't walk the walk
phony niggaz are outlined in chalk
a man vexed, is what the projects made me
rebel to the grain there's no way to barricade me
steamrollin niggas with the eighteen wheeler
with the drunk driver drivin, there's no survivin

Verse Three: Raekwon the Chef

Ruff like Timberland wear, yeah
me and the Clan, and yo the Landcruisers out there
peace to all the crooks, all the niggaz with bad looks
bald heads, braids, blow this hook
we got chrome teks, nickel plated macs
black axe, drug dealin' styles in phat stacks
I only been a good nigga for a minute though

cuz I got to get my props, and win it yo
I got beef wit commercial-ass niggas with gold teeth
lampin in a Lexus eatin beef
straight up and down don't eve
