[Chorus:

No matter how hard you try, you can't stop me now
No matter how hard you try, you can't stop me now

[RZA]

The greatest B-Boy of all time, started from small crimes

While others had big tops I was slingin' small dimes
Tryin' to make the come up, the blow used to numb up
A few G's a week, my clique used to sum up
Till my brother got locked up, my girl got knocked up
My closest homies each, got popped up and shot up
And cops flood the block, no way to eat
So I dropped a half a G on a rented SP
1200 Sampler, and a Yamaha Four-Track
The bass from the lab used to blow the fuckin' door
back

While Ghost was doin' stick-ups, tryin' to make a vic' up
Waitin' outside for the Brinks truck to pick up
Nothing would work, so we're back to choppin' nicks up
Givin' grown ass women two vials for a dick suck
When I was stressed I would head to the rest
Then the pads on the SP-12 got pressed
Makin' beats for the streets, so the family could eat
In '93, Wu-Tang Clan dropped their first LP
We went platinum, *whoo-peesh*, yeah we flatten 'em
Pockets got fat and um, went and got Cap and 'em
Staten's on the map and um, Brooklyn Zu is bombin'
'em

All around the world, Killa Beez start swarmin' 'em
You can't stop us, you can't block us
Rock us or mock us, knock us or top us
Better sit back and watch us...

[Chorus 2X]
