[Chorus: Chamillion]

Hold up maaane

Watch me come down in new riiiides mane

Watch me swang wide with when my riiiide change

Colors, it ain't a thang, we twistin and grippin grain

In love with my Money man

And my name, is Chamillionaire

And I'm ridin swangz

To seaport, ?? I can't toller man

Grindin is in mt range, and that will never change

In Love with my Money man

[Chamillionaire]

Yea

I show her off and let the groupies know that she's in
my life

When I'm a Billionaire, I'll make her permenitly my wife

There's a period every month, when I don't get to touch
her

But after 4 or 5 days it's over, fiending to clutch her

Schemeing to bust a - nut please, don't be a nut

Cause only a nut, would try to put his hands on my slut

See boys know I'm wit her but still try to holler at her

Alot of guys had her but them other guys don't matter

Them guys was chatter

And to tell the truth, I would rather

Let them dream, but at the end of the day, I would have
her

Her size is fatter, but truthfully I like her thick

I'm in the club, holding her, takin pictures with my chick

Forget a groupie, she's there after every show

We're makin love after the club, she tells me I'm so

Good at gettin her to cum, and she comes often

She comes when I'm grinding, she comes when I'm
flossin

If you havent figured it out yet, my money's my honey

My honey's my money, "In God We Trust" tatted on her
tummy

You could never take her from me, I never decieve her

Her last name is Franklin, her cousin is Visa

Believe the relationship I speak on is real

I'm in love with my money, My girlfriend is the dollar bill
Hold up....Hold up.....Hold up.....It's Koopa

[Chorus]

[Rasaq]

The gold diggers want her, but they can't have her
When I'm on the block with her? NOPE, they can't grab her

I love to flash her, she's so sexy
But if your lookin at her, you better look right past her
Went to my church - made a disater
Fought with my pastor, he tried to make me pass her
As an offering, Yall I'm telling yall
It took the holy ghost just to keep me up off of him
I prayed to the lord, sat down and talked to him
Before I knew it, them dollars came walkin in
Climbed up my pockets and hopped right in
This is a true story, no I'm not lyin
Since a day old, Been all about my Mayo
We chill up in the cut, yep, we gotta lay low
We makin babies, a bunch of little her's
No girls, just little zero's, all that I perfer
She sit on my lap, Next to my barrel
In English her names Dollar, in spanish it's Dinero
She's so bilingual
But it don't matter, anythign that she speaks? YEP
that's my Lingo
Could you picture me with out a girlfriend
Without no Franklins, Lookin like I'm single?
Sike - picture me with a wife, a neck full of ice
Hangin just like some Shingle's

[Chorus]
