Yesterday we said our last goodbyes  
Darling, yesterday we gave it one last try  
Though we've often said that we would never let it  
come to this  
I have nothing left to give  
I can only sit and think of yesterday

Baby that look upon your face, whoa  
And every tear that I have shed  
Is so far beyond the point of return  
But I can't let this go, my love  
So inside I must remember baby

Yesterday we said our last goodbyes  
And yesterday we gave it one last try  
Though we've often said that we would never let it  
come to this  
I have nothing left to give  
I can only sit and think of yesterday

So how can I mend a brokenheart (tell me baby)  
And how do I make a brand new start baby  
Oh, how do I like to love again  
When all I do is think of all our plans  
And imagine some day we could make it right (make it  
right)

I dreamed you called my name  
And I rose to see everything had changed

Whoa, yesterday we said goodbye  
And whoa yesterday we gave it one more try  
And whoa I know that we did say that we wouldn't let it  
come to this  
But I have nothing left to give  
I can only sit and think of yesterday

Yesterday we said our last goodbyes  
Yesterday we gave it one last try  
Though we've often said that we would never let it  
come to this

I have nothing left to give  
I can only sit and think of yesterday

Oh baby, cause I'm going to miss you baby  
Promise forever baby I wish baby  
That we could see forever, it's breaking my heart  
It's breaking my heart baby, why does this have to be  
I can only sit and think of yesterday

Yesterday we said our last goodbyes  
Yesterday we gave it one last try  
And try to walk away, and try to love another day lover  
Oh yesterday, I start my way  
I can only sit and think of yesterday

We said our last goodbyes, ooh, ooh
