Friends tell me I am crazy  
That I'm wasting time with you  
You'll never be mine  
That's not the way I see it  
'Cause I feel you're already mine  
Whenever you're with me

People always talk about, reputation  
I don't care 'bout your other girls  
Just be good to me  
Friends are always tellin' me you're a user  
I don't care what you do to them  
Just be good to me

Life, is a game of chances  
So I'll take my chance with you  
And you I won't try to change  
We, talk about it and I'd  
Rather have a piece of you  
Than to have all or nothing

But just be good to me, in the morning  
Just be good to me, in the afternoon or evening  
Just be good to me

I'm not the jealous type  
I won't tie you down when you need me  
I'll be around  
I'll be good to you, you'll be good to me  
We will be together, be together
