Now get the guns, the drugs, from my generation
I'll take the fall, the saints, across the nation
Yeah, it's the sex, the Gods, the freaks, the frauds
They're messin' with me

Come on! Come on! Come on
Let's get it on

Move to the music
Play that fucking music
Move it to my music, yeah
(Let's get it on)
Move to my music
Play that fucking music
Live through my music, yeah

Now get the guns, the drugs, from my generation
I'll take the fall, the saints, across the nation
Yeah, it's the sex, the Gods, the freaks, the frauds
They're messin' with me

Come on! Come on! Come on
Let's get it on

Move to the music
Play that fucking music
Move it to my music, yeah
(Let's get it on)
Move to my music
Play that fucking music
Live through my music, yeah

Forget the lies the money, we're in this together
And through it all, they said that nothing's forever
And they refuse to see the change in me
Why won't they wake up?

Come on! Come on! Come on
Let's get it on

Move to the music
Play that fucking music

Move it to my music, yeah
(Let's get it on)
Move to my music
Play that fucking music
Live through my music, yeah

Move to the music
Move it to the music, yeah
Move to the music
Live through the music, yeah

Move to the music
Move it to the music, yeah
Move to the music
Live through the music, yeah

Move to the music
Play that fucking music
Move it to my music, yeah
(Let's get it on)
Move to my music
Play that fucking music
Live through my music, yeah

Move to the music
Play that fucking music
Move it to my music, yeah
(Let's get it on)
Move to my music
Play that fucking music
Live through my music, yeah
