A nebula rising above  
From the black of decieving lies  
A new star is born now he brings you to light  
with his hands untied

They tried so hard to follow, but no-one cared  
Inside you're all so hollow, you understand

Hey, nothing you can say (say), nothing gonna change  
what you've done to me  
Now it's time to shine (shine), I'm gonna take what's  
mine  
While you're burning inside my light

I gave and you take  
And I waited for you but I made a mistake  
It's clear that you're fear is so near me  
because I see the look on you're face

You tried to hold me under, I held my breath  
Alone and now you wonder, What I possess

Hey, nothing you can say (say), nothing's gonna  
change what you've done to me  
Now it's time to shine (shine), you're gonna burn in my  
light  
Hey, nothing you can say, nothing's gonna change  
what you've done to me  
Now it's time to shine, I'm gonna take what's mine  
While you're burning inside my light

Hey, (hey) nothing you can say, (hey) nothing's gonna  
change what you've done to me (hey)  
Now it's time to shine, I'm gonna take what's mine....  
take what's mine

Hey, (hey) nothing you can say, (hey) nothing's gonna  
change what you've done to me (hey)  
Now it's time to shine, I'm gonna take what's mine

You're gonna burn in my light
