St two and lan fay

Life is hard man la vida es dura
Gotta believe in yourself sin duda
No es chiste, es mi cultura
Si yo puedo con alma pura

Rey Misterio con mensaje serio
De su television straight to your stereo
Cada persona tiene suenos in order to
Move ahead you gotta cross the border

They must have thought I was just a little mocoso
And like a clown they call me pavoso
Mira, yo soy misterioso
Un Mexicano con talento rabioso

Puedo hacer cosas you can't believe
Tu no sabes what I have up my sleeve
De verdad yo se los disenos
Para realizar mis suenos

Tengo la cualidad de oro
Y nuevo con la fuerza de toro
De la costa oeste con poder de mente
Represento San Diego y Tijuana de frente

I was born in Califas soy Americano
Pero mi vida es cien porciento Mexicano
I remember my school days back in San Diego
When I told them my dreams me dijeron que no puedo

I had to believe crei en mi mismo
To cross all kinds of borders estaba listo
They would say, "Hey Rey", tu eres pequeno
(Ellos pensaron que yo era muy pequeno)
But I knew I could do it porque era mi sueno

I love for Tijuana for San Diego
Pero, I had to go say hasta luego
To show my skill a mi gente mi raza

Nowadays everybody knows my name que pasa
