You think you know me

On this day I see clearly everything has come to life
A bitter place and a broken dream
And we'll leave it all behind

On this day it's so real to me
Everything has come to life
Another chance to chase a dream
Another chance to feel
Chance to feel alive

On this day I see clearly everything has come to life
A bitter place and a broken dream
And we'll leave it all, leave it all behind

I'll never long for what might have been, No
Regret won't waste my life again, No
I won't look back
I'll fight to remain

On this day I see clearly everything has come to life
A bitter place and a broken dream
And we'll leave it all behind

On this day it's so real to me
Everything has come to life
Another chance to chase a dream
Another chance to feel
Chance to feel alive, Oooooooh

Fear will kill me, all I could be
Lift these sorrows
Let me breathe
Could you set me free
Could you set me free

On this day I see clearly everything has come to life
A bitter place and a broken dream
And we'll leave it all behind

On this day it's so real to me
Everything has come to life
Another chance to chase a dream
Another chance to feel
Chance to feel alive
