Well break the walls down
It's the Big Show
And Jericho you know I got you
Come on, let's break the walls down

For those about to rock and what ya want
Baby you know I'm Judas
And I'm your priest
Baby what I got is not from the least
Bring it through the stage in the rage of a beast

Step into the arena and break the walls down
Step into the arena and break the walls down
Step into the light, and then you'll know
You were stopped and dropped by the Walls of Jericho

It's the Big Show
It's a big bad show tonight
Yeah it's the Big Show
Crank it up and turn on the lights
Oh yeah get ready for something
That you'll never know
To late for running
It's time for the show

I wake up from a deep sleep
You're all weak
You're living in the agony of defeat
I am the master of your whole heap
I am the pack that flock ya like sheep

Step into the town and break the wall down
Your heart beat is the only sound
Step into the light and then you'll know
You were stopped and dropped by the Walls of Jericho

It's the Big Show
Come to set everything right
Yeah its the Big Show
Who's gonna burn this house tonight

Yeah you're time is over

You're times gone around
Hold you high above me
Then i'll plant you in the ground!

Break the walls down
It's the Big Show
And Jericho you know I got you
Come on, let's break the walls down
It's the Big Show
And Jericho you know I got you
Come on, let's break the walls down!
