your time is up  
my time is now  
you cant see me  
my time is now  
its the franchise, boy im shin' now  
you cant see me  
my time is now

in case you forgot or fell off im still hot - knock your  
shell off  
my money stack fat plus i cant turn the swell off  
the frachise,doin big business, i live this, automatic i  
win this-oh you hear those horns, im finished  
a soldier, and i stay under you fightin  
plus im stormin on you chumps like im thunderin and  
lightnin  
aint no way you braken me kid,im harder thana nails  
plus i keep it on lock, like im part of the jail  
im slaughtering stale, competition, i got the whole  
block wishin they could run in my division but they've  
gone fishin  
with no bait, kid your boy hold weight, i got my soul  
straight, i brush my mouth with colgate  
in any weather im never better your boys so hot you'll  
never catch me in the next mans sweater  
if they hate, let'em hate,i'll drop your whole clan  
lay yo' ass down for the three second tan

your time is up  
my time is now  
you cant see me  
my time is now  
its the franchise, boy im shin' now  
you cant see me  
my time is now

Yeah, uhh  
It's gon' be what it's gon' be  
Five pounds of courage buddy, base tan pants with a  
gold T  
Uhh - it's a war dance and victory step

A raw stance is a gift, when you insist it's my rep  
John Cena, Trademarc, y'all are so-so  
And talk about the bread you make but don't know the  
recipe for dough though  
Aimin' guns in all your photos, that's a no-no  
When this pop, you'll liplock, your big talk's a bladen  
no-show  
See what happens when the ice age melt  
You see monetary status is not what matters, but it  
helps  
I rock a timepiece by Benny if any  
The same reason y'all could love me is the same  
reason y'all condem me  
A man's measured by the way that he thinks  
Not clothing lines, ice links, leather and minks  
I spent 20 plus years seekin' knowledge of self  
So for now Marc Predka's livin' live for wealth

your time is up  
my time is now  
you cant see me  
my time is now  
its the franchise, boy im shin' now  
you cant see me  
my time is now

your time is up  
my time is now  
you cant see me  
my time is now  
its the franchise, boy im shin' now  
you cant see me  
my time is now
