This world is crazy
Holdin, on tight, tryin' hard just to keep control
Don't let go but don't worry baby
I'll show you tonight a way to sooth your soul

C'mon baby, let's go
Oh, I know you're achin' baby
But I'm gonna hold you tight
Until you stop all this shakin'

Put a little ass on it
(Oh, listen baby)
Put a little ass on it
(Like a baby, like a baby)

Put a little ass on it
(Feel the smooth)
Put a little ass on it
(Oh baby, like a baby)

Everybody's running, rushing to nowhere
Or just running away losing their way
But help is coming and I have faith
In a better way, a brighter day

Oh, I know you're lost and searchin'
But I'm gonna show you how
To stop all this hurtin'

Put a little ass on it
(Ass on it)
Put a little ass on it
(Ass on it)

Put a little ass on it
(Ass on it)
Put a little ass on it
(Ass on it)

I know the sun ain't where it's supposed to be
I know your heart was broke but baby, believe in me
I'm gonna show you something that's gonna make it

better
I'll just need you to follow my prescription to the letter

Put a little ass on it
(Ass on it)
Put a little ass on it
(Ass on it)
(Oh, listen baby)

Put a little ass on it
(Ass on it)
(Feel the smooth)
Put a little ass on it
(Ass on it)
(Oh, listen baby)

Put a little ass on it
(Ass on it)
(Like a baby, like a baby, like a baby)
Put a little ass on it
(Ass on it)
(Feel the smooth)

Put a little ass on it
(Ass on it)
(Oh, oh oh)
Put a little ass on it
(Ass on it)
(Ah)

Put a little ass on it
(Ass on it)
(You gotta listen to me)
Put a little ass on it
(Ass on it)
(I know you're achin')

Put a little ass on it
(Ass on it)
(Ah)
Put a little ass on it
(Ass on it)
(Like a baby, like a baby, like a baby)

Put a little ass on it
(Ass on it)
Put a little ass on it
(Ass on it)
