listen up
turn it up and rock it out
party on
i wanna hear you scream and shout
this is real
as real as it gets
i came to get down
to get some f***** respect
taking it back to a hard core level
you better be ready
put your pedal to the metal
taking it back to a hard core level
you better be ready
put your pedal to the metal
(chorus)
GOO!!!
WHOA
oh i never give in
WHOA
oh i never give up
WHOA
oh i never give in
'CAUSE i just wanna be,wanna be loved
X2

i want domination
i want your submission
i see your not resisten
to this temptation
i got one confession
a love deplavation
i got a jet black heart
its all f**ked up and its fallin apart
(chorus)
GOO!!!
WHOA
oh i never give in
WHOA
oh i never give up
WHOA
oh i never give in
'CAUSE i just wanna be,wanna be loved

x2
i got another confession
i fell to temptation
and there is no question
there was some connection
i gotta follow my heart
no matter how far
i gotta roll the dice
never look back and never think twice
(chorus)
GOO!!!
WHOA
oh i never give in
WHOA
oh i never give up
WHOA
oh i never give in
'CAUSE i just wanna be,wanna be loved
X2

take it back
burn it up and let it go
carry one
im stronger than you'll ever know
thats the deal
you get no respect
you gonna get yours
you better watch your f***** neck
take it back
burn it up and let it go
carry one
im stronger than you'll ever know
thats the deal
you get no respect
you gonna get yours
you better watch your f***** neck
(chorus)
(chorus)
GOO!!!
WHOA
oh i never give in
WHOA
oh i never give up
WHOA
oh i never give in
'CAUSE i just wanna be,wanna be loved
X3

take it back
burn it up and let it go

take it back
burn it up and let it go

wanna be loved.
