(giggling) i don't Care What ya'll Say

(chorus 2x)

woah!!!

Its time 2 roc n roll

This time I'm in control

Right now I own the streets

I got the keys to the city that's 'cause I get down

(Verse 1)

Sometimes I wonder how I made it this far

With all these people hatin' on me

Y'all know who you are

Take a chance and try to come out in this game bein a star

Now I own the keys to a brand new fancy car baby!

It's my turn to burn and now I'm here to rub it in your face (giggling in background)

When will you learn I'm the queen and I'll put you in your place

(chorus)

(Verse 2)

How dare you try to go against the glorious one I'll

slaughter you son it's ova the story is done I can be
