MISTER KENNEDY!
KENNEDY

I turn up the trouble till it gets real loud
I like it so much better that way alright
Gonna mess with your mind
Cause I know that I can
Gonna see how much that I can *uck with today yeah

Gonna stir up the sh*t like it just won't quit
Well **cking get used to my rubbing your nose in it
Step a little closer
Close to my fire
Trouble's my drug
Takes me higher and higer

I turn up the music
Light up the crowd
Turn up the gas cause you can't be too loud
It's a **ucking religion and I'll show you the way
Drop to your knees and join when I say

MISTER KENNEDY
KENNEDY
What were you thinking
Taking me on
Better men have fallen before
Now it's your turn
History teaches and I wrote the book
About how to show it to the door

Gonna stir up the sh*t like it just won't quit
well **cking get used to my rubbing your nose in it
Step a little closer
Close to my fire
Trouble's my drug
Takes me higher and higer

I turn up the music
Light up the crowd
Turn up the gas cause it can't be too loud
It's a **ucking religion and I'll show you the way

Drop to your knees and join in when I say

MISTER KENNEDY
