I ain't the lady to mess with.  
Woo!  
Go, go, go (a lot of "go's")

Go ahead with your bad self.  
With your bad self.  
With your bad self.  
Yo!

I'm a girl with my bad self.  
With my bad self.  
With my bad self.  
Huh!

Go ahead with your bad self.  
With your bad self.  
With your bad self.  
Yo!

I'm a girl with my bad self.  
With my bad self.  
With my bad self.  
Yeah!

I ain't the lady to mess with, (male voice) stressed with.  
Your gonna pay the price to, (male voice) caress me.  
Stop it with anorexic pockets.  
(Male voice)?... to show them off the rockets.  
I've got the keys to the kingdom like a locksmith.  
At home, I don't even care?  
(Male voice not understandable)  
Go ahead with your bad self.  
With your bad self.  
With your bad self.  
Yo!

I'm a girl with my bad self.  
With my bad self.  
With my bad self.  
Go ahead with your bad self.  
With your bad self.  
With your bad self.

Yo!

I'm a girl with my bad self.  
With my bad self.  
With my bad self.  
Yeah!

Okay okay, lets play.  
Gotta pay the play that will do it my way.  
No way no way Jose, stop whatcha doing cause you  
can't hold me.  
(That same guy).  
Yo, Yo let's go let's go.  
I'm a play fools like tic tac toe.  
(I don't know what he's saying) Glass broke and I'm  
gonna stop your choking.  
Y'all can't get the best of me.  
I take y'all outside, keep testing me.  
That's right I'm gonna take what's mine  
So hurry up, 'cause your running out of time.
