Yeah Yeah Yeah Uh Uh Uh . You can run if you want to, cause you cant hide
So you can if you want to cause you cant hide.

I see you dont know who your dealing with but i dont have it all i am a lunatic cause see society they label me a threat But i am just getting started i am not finished yet. Look me in my eyes i can see your thoughts all your ups and downs ,All your little faults. Keep actin tough is going to get creepy. All of a sudden you startin' to feel sleepy. But in the streets when you doze off you wake up with your clothes off Ashamed felling so lost, whoa.

You see my crew you know my style victory is mine you're going down.

Yeah yeah yeah uh uh uh you can run if you want to cause you cant hide So you can run if you want to cause you cant hide.

You can hop over the fence, run under the bed Get down the block but you cant hide . You can stay at your friends Sleep in your Benz free from ya sins but you cant hide.

We get it poppin' baby (right,right,right) We give to em daddy (true,true,true)

Yea, yea, yea, yea, yea

Now make noise whoa, whoa, whoa, whoa (x3)
